Training Overview

Learning EMDR looks easier than it actually is. In this 12 CE-hour, 3-day online course, you will learn how to get more facile using EMDR treatment protocols and EMDR-derived techniques and applying them an AIP framework that helps you make those past-present connections and formulate a treatment plan. We'll be reviewing the foundations of the model and the method from which to build your skills as a developing EMDR therapist, so you'll walk away with a better understanding of how to practice EMDR therapy with your clients with greater ease and confidence.

Preparing for Your Training Experience

This online training consists of lecture, discussion, and review of client video segments, giving you ample opportunity to ask questions in this live, online format. It is recommended that you prepare a private space from which to participate that is free from distractions for everyone's benefit, and that you have a good internet connection with a backup plan.

Overall Training Objectives

1. To develop a working understanding of the AIP model and methods of EMDR therapy.
2. To understand the three-pronged approach to EMDR that includes targeting past, present and future experiences.
3. To apply the Standard protocol of EMDR that targets foundational memories that set the groundwork for the client's current difficulties.
4. To have a decision-making tree that serves as an outline to help determine when to target early memories, adult-onset experiences, and anticipatory anxieties.
5. How and when to use the Recent Traumatic Events protocol.
6. How and when to use the protocol for a Single Event (PTSD protocol).
7. How and when to use the protocol for a

Current Anxiety.

8. How and when to use EMD.
9. How and when to use Interweave strategies to facilitate reprocessing effects.
10. To develop a working understanding of the Eight Phases of EMDR therapy.

Eligibility

This training is for mental health professionals who have completed the EMDR Basic Training, are licensed for independent practice, or on a licensing track under supervision. You can

take this training at any time after you have completed your EMDR Basic Training.

Application Process

All applications are submitted online via the website registration portal for review. There is a non-refundable, non-transferable fee of \$50 that is applied towards the tuition once your application has been reviewed and approved. If you cancel or withdraw, the application fee will not be refunded. See refund and cancellation policy below for more details.

Cancellation and Refund Policy

Tuition is refundable up to 30 days in advance, less the application fee. If you cancel within 30 days of the training date, the balance less the administrative fee, will be applied as a credit towards a future training. A request for cancellation must be submitted in writing by email to admin@emdrtherapy.com. If you must

withdraw once the training begins, there is no partial credit or refund. No partial CE credit can be earned if you miss any portion of the training. The Center reserves the right to cancel or reschedule the training at its discretion and will credit one's tuition towards a future date or offer a full refund.
