

Back to the Future: An Upscaled Refresher Course in EMDR Therapy

TRAINING ID: RN-105

START DATE:

OCTOBER 20, 2023

PLACE:

ONLINE

The Center for Excellence
in EMDR Therapy

Training Overview

This one-day refresher course is for clinicians who have already completed the Basic Training in EMDR Therapy and want to brush up on the essentials of the model. We will take a broader view of EMDR as a psychotherapy and how the standard protocol as well as other specialized protocols and techniques are part of the clinical repertoire of the EMDR therapist. We will review the AIP model and how that informs our case formulation and treatment planning, as well as go over the procedural steps so it's more second nature to you. How and when we modify the standard protocol as well as accentuating what is positive will be discussed as we take a bigger picture view of treating the whole person beyond the remission of their symptoms. There will be plenty of time for discussion and review of actual client sessions to deepen your appreciation of the transformative power of EMDR therapy to heal trauma.

Preparing for Your Training Experience

This online training consists of lecture, discussion, and review of client video segments, giving you ample opportunity to ask questions in this live, online format. It is recommended that you prepare a private space from which to participate that is free from distractions for everyone's benefit, and that you have a good internet connection with a backup plan.

Overall Training Objectives

1. Distinguish between a symptom-focused versus a problem-informed treatment plan.
2. Identify at least two strategies for developing resources
3. Identify at least one modification to the standard protocol in order to meet client needs.

Eligibility

This training is for mental health professionals who are licensed for independent practice, or who are on a licensing track under the supervision of a licensed supervisor, and who have completed an EMDRIA-approved EMDR Basic Training program. Graduate students who have completed their core coursework and are in a practice setting are also eligible to participate. All non-licensed clinicians must submit a letter documenting by their status by their supervisor.

Application Process

All applications are submitted online via the website registration portal for review. There is a non-refundable fee of \$30 that is applied towards the tuition while the application is being processed. Once the application has been approved, the balance of the tuition will be charged. If you cancel or withdraw, the application fee will not be refunded. See refund and cancellation policy for details.

Cancellation and Refund Policy

Tuition is refundable up to 30 days in advance less a \$50 administrative fee. Withdrawals between 14 and 29 days from the start date of the training are refundable less a \$75 administrative fee. Withdrawals less than 14 days from the start date are refundable less a \$100 administrative fee with the balance of the tu-

ition credited towards a future training at the Standard Rate. All requests for cancellations must be submitted in writing by email to admin@emdrtherapy.com. There are no refunds or credits once the training begins. No partial CE credit can be earned if you miss any portion of the training. Center reserves the right to cancel or reschedule the training at its discretion and will credit one's tuition towards a future date or offer a full refund.

Health and Safety for Onsite Trainings

Health and safety precautions will be applied in accordance with CDC guidelines at the time and at the location the training is being held.

Special Needs and Accommodations

Individuals needing ADA accommodations should contact us at admin@emdrtherapy.com at least 30 days prior to the training date to make advance arrangements. We cannot ensure accommodations without adequate prior notification.
